

English Debating Team Wins Champion in UNSDGs Debating Competition

Our school’s English debating team won the champion in the grand final of UNSDGs Debating Competition 2022/23 (Group Senior 1C). Congratulations to the team!

The final match took place on 24th May at City University of Hong Kong. Versus Catholic Mission School, our school argued against the motion that ‘homework is good for primary school students’. Our debaters defeated the affirmative team and took the trophy. Moreover, our third speaker Kaden Hung was selected as the best speaker in the debate as a result of his humble yet eloquent closing speech.
