

A Flawless Victory in the 15th Radio Drama Competition

St. Peter's has recently won the Grand Champion in the 15th Radio Drama Competition! It was held on 10 June in Chiang Chen Studio Theatre in the Hong Kong Polytechnic University. The victory is a remarkable achievement that demonstrates students' exceptional talent and dedication to the art of storytelling.

This is our school's first year venturing into this competition. Yet, our radio drama was outstanding, and it truly impressed the judges with its engaging plot, creative dialogue, and memorable characters. Besides the Grand Champion, our team has also won the Best Script Award, and Lee Yan Jared from 5C won the Best Performer Award among all the participants. Their ability to bring the story to life through sound is a testament to their creativity and hard work.

Thank you Mr. Tristan and the team for their wonderful work and effort. Here's hoping that these students will continue to improve their performing skills and continue to shine in the future!
