

Runners-up in the Story to Stage Puppetry Competition

English Ambassadors from St. Peter's Primary School were proud to be the runners-up in this year's Story to Stage Puppetry Competition. The five students from P5 and P6 claimed second prize, demonstrating their creativity, skill and hard work.

This was the first time students from St. Peter's Primary School had entered the EDB's Story to Stage Puppetry Competition. It proved to be a challenging task as they had to select a story, devise a script, design puppets and props, build a puppetry set, and apply puppetry skills in a six-minute performance. The show was then video recorded and edited, for submission to the Education Bureau on 31st May.

Thankfully, our puppetry performance found favour among the judges, who enjoyed its entertaining plot, skilful use of puppets and positive themes of equality and respect. The NET section of the Education Bureau duly awarded us second prize in Section 2 of the competition.

Well done Mr. Tristan and the English Ambassadors for their hard work and creativity. Hopefully, they will continue to enrich the learning and teaching of English through puppetry!
