

English Debating Team Wins Champion and First-Runner Up in HKSS Debating Competition

We are proud to announce that our school's English debating team won the champion and first-runner up in the grand finals of Hong Kong Secondary School Debating Competition (Primary Section) 2022/23.

Split into two teams, the debaters took part in the finals on Zoom. The motion of the grand finals was 'The house would create and enforce filial responsibility laws.' Despite the challenging topic, the negative team defeated Maryknoll Convent School Primary Section and won the champion. Our first speaker Yvette Cheung was selected as the best speaker in the debate because of her excellent and exemplary opening speech.

The affirmative team, against Diocesan Boys' School Primary Section, fought hard and took second place. It was a glorious defeat, and the team learnt a lot from their opponents.
