

English Debating Team Triumphs in Round 1 of HKSSDC (Primary)

Our school's English Debating Team has emerged victorious in Round 1 of the highly anticipated Hong Kong Secondary Schools Debating Competition (Primary). The competition, featuring the motion "THW require the unemployed to engage in community work to be eligible for social welfare," witnessed the participation of our two outstanding teams, representing the affirmative and negative sides respectively.

Both of our teams demonstrated exceptional debating skills, critical thinking, and eloquence throughout the match, leaving a lasting impression on the judges. We are proud to declare that both teams secured resounding victories, showcasing the talent and hard work of our students. In addition to the remarkable team performance, we are delighted to announce that Calvin Wu, a student from 6D, was awarded the title of Best Speaker.

Congratulations to our English Debating Team for their exceptional performance, and let us all join hands in wishing them the best of luck as they advance to the next round of the competition.
