

**English Choral Speaking Team Won the Champion
at the 75th Hong Kong Schools Speech Festival**

We are thrilled to announce that our school's English Choral Speaking team has snatched the Champion at the 75th Hong Kong Schools Speech Festival (Choral Speaking, P1-3, Mixed Voice) with their outstanding performance of "*I can't find my teddy bear*" by Ian Souter.

The Choral Speaking category had been halted for several years due to the pandemic. We are excited that this competition has been resumed this year to bring together talented students from schools across Hong Kong to showcase their exceptional oratory skills. Our dedicated team, comprising students from Primary 3, put in countless hours of practice and displayed remarkable teamwork to achieve this remarkable feat.

Under the guidance of their dedicated coaches, the students brought the enchanting story of "*I can't find my teddy bear*" to life on stage. Their impeccable diction, synchronized movements, and expressive voices captivated the audience and earned them well-deserved accolades from the judges.

We extend our heartfelt congratulations to the team members for their exceptional performance. Well done, English Choral Speaking team! Your dedication and triumph are an inspiration to us all!
