

## English Choral Speaking Team Triumphs Again!

We are thrilled to announce that our Primary 3 English Choral Speaking Team has secured the champion title for the second consecutive year at the 76<sup>th</sup> Hong Kong Speech Festival - Choral Speaking (P.1-3, Mixed voice). Their mesmerizing performance of "*Sky Dragon*" captivated the audience as they vividly portrayed a fierce dragon causing havoc with its powerful claws, tail, and fiery breath.

The adjudicator was immensely impressed by their dedication, creativity and emotional depth. Our students demonstrated remarkable physicality and unison, which the adjudicator praised as reaching an adult professional level. Their stellar performance earned them an almost unattainable 92 marks (Honours).

Congratulations to our talented team! Your hard work and passion have truly paid off. We hope all the students enjoyed this journey and look forward to more such successes in the future!
