

"The Bookworms" Turn the Page to Victory, Claiming 2nd Prize at Filmit Competition!

S.K.H. St. Peter's Primary School is thrilled to announce that our school's film entry, "**The Bookworms**," has won **2nd Prize** at this year's Filmit Competition! This remarkable achievement highlights the creativity, dedication, and talent of our students.

"The Bookworms" is a student film that highlights the importance of books and the value of imagination. The film stars Sean Wong (5D), Shari Chan (5F), Tiger Ng (6B), Hayton Chan (6E), and Jayden Tsui (6E).

The Filmit Primary Division consists of three categories: **Short Film**, **One-Minute Film**, and **Outstanding Performance**. There is also a Popular Vote that applies only to the One-Minute Film category. Despite the large number of entries, we were able to stand out! Our students impressed the judges in the areas of content and creativity, use of English, presentation and teamwork, and cinematography.

Winning this award is a testament to the hard work and passion of our students. It also emphasizes the importance of creative arts in education, encouraging more students to explore their talents in filmmaking and storytelling. We are incredibly proud of our filmmakers.

Congratulations to all the students involved in this film!
